Introducción

El Ministerio de Hacienda por medio de la Dirección General del Presupuesto, en cumplimiento con la transparencia fiscal la cual compete al Estado, presenta el documento "Apéndice Estadístico del Presupuesto General del Estado y Presupuestos Especiales del Ejercicio Fiscal 2015", elaborados con base a las Leyes de Presupuesto y de Salarios, aprobadas el 20 de noviembre de 2014 mediante Decretos Legislativos No. 866 y No. 867 respectivamente, publicadas en el Diario Oficial No. 229, Tomo No. 405 del 8 de diciembre de 2014. Este documento se elabora con el fin de proporcionar información desagregada de los ingresos, gastos y plazas (a tiempo completo) a todos aquellos que efectúan investigaciones de carácter económicas y financieras; así como a la ciudadanía en general.

Cabe mencionar que este documento destaca la distribución de los recursos, orientado a servir a la sociedad en busca de una mejora continua para la misma, y a su vez muestra el nivel de empleos con sus montos que el gobierno invierte para brindar un mejor servicio a la población en general.

El presente documento contiene información de acuerdo al Manual de Clasificación para las Transacciones Financieras del Sector Público, de manera tal que los ingresos y gastos se clasifican de forma presupuestaria, haciendo énfasis en la parte económica, las fuentes de financiamiento que lo componen, y la distribución del Gasto por Áreas de Gestión la cual es el enfoque que se utiliza para el análisis y elaboración del Presupuesto General del Estado. El documento cuenta con cuatro secciones las cuales se detallan a continuación:

Sección I Consolidado del Sector Público No Financiero, Presupuesto Votado 2015: el objetivo de este apartado es mostrar el presupuesto votado con todos sus componentes de ingresos y gastos brutos y netos, el cual se presenta en cuadros por Unidad Primaria de Organización, integrando información de sus instituciones adscritas; la sección está conformada por el Gobierno Central, Instituciones Descentralizadas No Empresariales y Empresas Públicas No Financieras. Dichos cuadros registran información del presupuesto votado correspondiente a ingresos, gastos y datos integrados de plazas con sus respectivos montos.

Un aspecto que debe ser destacado, es que en los cuadros consolidados se han deducido o eliminado aquellos flujos o movimientos intersectoriales (ingresos y gastos), con la finalidad de evitar su duplicación o doble contabilización al momento de consolidar los datos. En el caso de plazas y sus montos se efectúa una sumatoria, por lo que no se realiza dicha deducción o eliminación.

Sección II Gobierno Central, Presupuesto Votado 2015: esta sección refleja el ingreso y gasto que las instituciones primarias realizan, cuya información se presenta a nivel institucional por áreas de gestión, clasificación económica y las plazas con sus montos.

Sección III Instituciones Descentralizadas No Empresariales, Presupuesto Votado 2015: estas instituciones dependen en su mayoría de las transferencias de recursos que la respectiva institución primaria les traslada con el fin de poder desarrollar sus funciones, con lo cual contribuyen al desarrollo social y económico del país. Esta sección muestra los ingresos propios que éstas generan y el apoyo que reciben del Gobierno Central por medio de las transferencias; así como la distribución del Gasto por Rubros de Agrupación, Clasificación Económica, Áreas de Gestión, y de igual forma las plazas con sus respectivos montos.

Sección IV Empresas Públicas No Financieras, Presupuesto Votado 2015: este apartado indica en primera instancia aquellas instituciones dedicadas a la producción de bienes y servicios, de tal forma que los cuadros presentan información de ingresos y gastos de acuerdo a la clasificación económica, presupuestaria y administrativa financiera.
